RE: Temporary Change of Address for Council Meetings

The City Council will temporarily change its Council Chambers to the conference room in City Hall, which is located at 4 Court Square, Alexander City, until further notice because of COVID-19. This temporary change will allow us to better serve our citizens through virtual meetings while practicing social distancing. We ask that citizens continue to call-in to listen to all the Council Meetings.

If you have any questions or concerns, please contact the City Clerk's at (256) 329-6700.

Thank you for your patience and your help with keeping COVID-19 to a minimum in our community.

Sincerely,

Tim Funderburk
Council President
